

**Why Settle for  
Two Pieces?**

**When What You Really  
Need Is...**

**ONE.**

## Wide Plate

Sandmeyer's 15 million pound inventory of stainless steel includes plates from 3/8" to 2" thick in **WIDTHS OF 125" AND WIDER FROM STOCK!**

This provides fabricators and OEMs with considerable cost advantages.

You will eliminate the need for:

- edge preparation
- welding
- x-ray
- additional flattening

Sandmeyer's wide plate is available in types 304, 304H, 304L, 316, and 316L.
